Description

This 2017 Audi A4 Avant TFSI S line combines practical estate design with the refined engineering expected from the brand. Powered by a 2.0L petrol engine, this vehicle has passed a clear vehicle history check, providing peace of mind regarding its background. The S line trim enhances the aesthetic with an extended black styling package and 19in alloy wheels in a 10-V spoke design. Visibility is supported by LED headlights and rear lights, which also feature dynamic rear indicators for clear signalling., , The vehicle offers a balanced driving experience, achieving 0-60mph in 7.2 seconds while maintaining an impressive fuel economy of 50 mpg. It is designed to be an efficient choice, evidenced by its low CO2 emissions and Euro 6 compliance, which helps to reduce its environmental impact. Inside, the deluxe 3-zone electronic climate control ensures comfort for all passengers, while the integrated Bluetooth interface allows for seamless connectivity.
