Description

This 2020 Volkswagen ID.3 Pro Performance 1ST Edition is an all-electric vehicle that has been kept by only one owner from new. It comes with a clear vehicle history check, providing peace of mind regarding its background. The exterior is finished in a distinctive Makena Turquoise paintwork paired with a black roof, while the interior features a leather-trimmed heated multifunction steering wheel. This specific model includes the Design Package, which adds LED headlights, and the Comfort Package Plus, which provides climate control and heated seats to enhance the driving experience., , The ID.3 offers a practical balance of performance and convenience, highlighted by its ability to accelerate from 0 to 62mph in 7.3 seconds. With a 62 kWh battery, it provides a maximum range of 260 miles when new, making it well-suited for various journey lengths. Charging is straightforward, taking 9 hours and 30 minutes for a full charge at
