Description

This Volkswagen ID.3 Pro Performance Family is an impressive all-electric hatchback, offering smooth automatic driving, refined performance and zero-emission motoring. Finished in stylish grey with a distinctive black roof, it combines contemporary design with practical five-door versatility and seating for five. The 58kWh battery and 204ps electric motor deliver responsive performance, while rear-wheel drive provides an engaging and composed drive. It has had just two former owners and comes with full dealership service history, providing excellent reassurance for its next keeper. The MOT is valid until March 2027., , Inside, the ID.3 features a high-quality, modern cabin with a digital dashboard, 10-inch infotainment system, DAB digital radio, wireless App-Connect and natural voice control. Comfort is enhanced by heated rear window, ambient interior lighting, front-seat armrests, electric windows and the Comfort Package Plus. Technology includes adaptive cruise control with Front Assist, lane assist, front and rear parking sensors, a driver alert
