Description

This Vauxhall Insignia CDTi Energy from 2015 offers excellent provenance, having had only two owners and a clear vehicle history check. It features a capable 2.0 litre diesel engine and comes equipped with practical notable features such as front and rear parking distance sensors, including front sensor parking assistance, and electronic climate control with a graphic information display. For your convenience, it also includes a mobile phone system with Bluetooth connectivity and automatic headlights., This Insignia CDTi Energy stands out with its impressive acceleration, reaching 0-62mph in just 9.5 seconds, a performance that indicates it is more responsive than many similar vehicles. Furthermore, its low insurance group rating suggests lower running costs compared to other cars in its class. The generous boot space provides ample room for luggage or shopping, making it a practical choice for everyday use and longer journeys.
