Description

This 2012 Audi Q3 TFSI SE offers peace of mind with a clear vehicle history check and an MOT that remains valid until July 2027. As an SE trim model, this vehicle is powered by a 2.0 litre petrol engine paired with a four wheel drive system, providing a balanced driving experience. The combination of the Audi brand and the practical SE specification ensures that this SUV remains a reliable choice for those seeking a well maintained vehicle with a verified background., , The performance of this model stands out, as it is capable of accelerating from 0 to 62mph in 8.2 seconds, offering a responsive drive that is often more dynamic than other vehicles in its class. Furthermore, it benefits from being in a low insurance group, which helps to manage ongoing running costs more effectively. These attributes make it a practical option for drivers who want a capable
