Description

This 2019 Honda Civic i-DTEC EX offers a practical and reliable driving experience. Powered by a 1.6 litre diesel engine that meets Euro 6 emission standards, this model is designed for efficiency and consistent performance. The EX trim level provides a comprehensive suite of equipment, including heated front seats for added comfort and a rear parking camera to assist with manoeuvring. Safety and convenience are further enhanced by the inclusion of blind spot information, dusk sensing headlights that activate automatically, and a smart entry and start system that allows for keyless access., The Honda Civic stands out in its class by balancing everyday usability with cost effective motoring. It features a large boot space, making it a highly practical choice for those who need extra room for luggage or shopping. Furthermore, the vehicle benefits from low CO2 emissions and falls into a low insurance group, which helps to keep
