Description

This 2018 Nissan X-Trail DIG-T N-Connecta is a practical SUV that combines a 1.6 litre petrol engine with the Euro 6 emission standard. As a clear vehicle history check confirms, this model offers peace of mind for its next owner. The N-Connecta trim level provides a balanced specification, making it a reliable choice for those seeking a versatile vehicle that meets modern environmental standards. The vehicle is designed to make daily driving easier, featuring a 7-seat upgrade that offers extra flexibility for larger groups or families. Parking is simplified by the inclusion of front and rear parking sensors, along with an intelligent around view monitor that provides a 360-degree camera view. Comfort is maintained through dual zone automatic air conditioning with a pollen filter, while automatic headlights with a dusk sensor ensure visibility is managed without driver input. With a fuel economy of 44 mpg and a low insurance
