### Description

The 2019 Mazda Mazda3 SKYACTIV-G GT Sport Tech is a well-equipped hatchback powered by a 2.0-litre petrol engine. As a Euro 6 compliant vehicle, it meets current emission standards, making it a practical choice for modern driving requirements. This specific trim level offers a comprehensive suite of technology designed to assist the driver, ensuring that the vehicle remains a capable and reliable option for those seeking a balance of performance and efficiency. This model stands out due to its focus on driver convenience and ease of use, particularly when navigating tight spaces or busy roads. It comes equipped with a 360-degree view monitor and a reversing camera, which work alongside front and rear parking sensors to provide excellent visibility during parking manoeuvres. For longer journeys, the adaptive Mazda radar cruise control helps maintain a steady pace, while the dusk-sensing automatic headlights ensure optimal visibility in changing light conditions. Beyond
