Description

This stylish Renault Zoe R135 EV50 52kWh Techno offers an impressive blend of modern design, advanced technology and effortless electric driving. Finished in an attractive Grey, this five-door automatic hatchback is powered by a responsive 134 bhp electric motor and provides a refined, quiet driving experience, making it an excellent choice for both city journeys and longer trips. With low mileage and just two previous owners, it has been carefully enjoyed and is presented with a superb specification., , Inside, the cabin features heated seats, a heated leather steering wheel, automatic air conditioning and a 9.3-inch EASY LINK touchscreen display with satellite navigation. The 10-inch TFT driver display, wireless smartphone charging and hands-free keycard add further convenience, while the split-folding rear seats provide useful versatility. Parking is made simple with front and rear sensors, a rear-view camera and hands-free parking., , Additional highlights include 16-inch diamond-cut alloy wheels, full LED
